Dear Mr. Steele:

Enclosed for your review and approval is an amendment to the FY 2006-2008 State Transportation Improvement Program (STIP) for projects in both the Metropolitan Planning Organizations (MPOs) and Non-MPO areas:

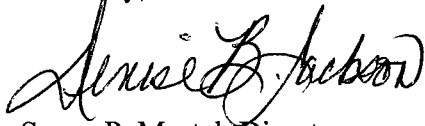

- For the Southeast Michigan Council of Governments MPO, there are 11 critical projects at a total cost of \$23,908,000 and a federal cost of \$19,521,000.
- For the Bay City and Saginaw MPOs, there are two critical projects at a total cost of \$14,033,000 and a federal cost of \$12,576,400.
- For the Flint MPO, there are three critical projects at a total cost of \$2,756,218 and a federal cost of \$2,373,143.
- For the Muskegon, Holland, and Grand Rapids MPOs, there are 20 critical projects at a total cost of \$28,706,742 and a federal cost of \$5,008,559.
- For the Non-MPO areas, there are ten projects at a total cost of \$22,364,282 and a federal cost of \$18,053,579.

These projects will need to move forward immediately as we work toward the approval of the FY 2008-2011 STIP. They are High Priority Safe, Accountable, Flexible, and Efficient Transportation Equity Act: A Legacy for Users projects, Local Jobs Today projects, and projects that have a January or February let date. Please refer to the enclosed spreadsheets for further job specific information. The STIP remains financially constrained for FY 2008 to available revenues with this amendment.
